

SAFETY DATA SHEET

1. Chemical Product and Company Identification

Product Name : Sodium Stearoyl Lactylate
Other Name : Octadecanoic acid, 2-(1-carboxyethoxy)-1-methyl-2-oxoethyl ester, sodium salt
Manufacturer : Musashino Chemical Laboratory, Ltd.
Address : Tekko Bldg., 8-2, Marunouchi 1-Chome, Chiyoda-Ku, Tokyo 100-0005
TEL : +81-3-6810-0242
FAX : +81-3-6810-0148

2. Hazards Identification

Hazard Classification : Serious Eye Damage/Irritation, Category 2A
Aquatic environment aquatic (acute) hazard, Category 2
Aquatic environment aquatic (long term) hazard, Category 3

Hazard Label :

Signal Word : Warning
Hazard Statement : Causes serious eye irritation.
Toxic to aquatic life.
Harmful to aquatic life with long lasting effects.

Precautionary Statement :

Safety measures

Wear protective gloves/protective clothing/eye protection/face protection.
Wash face and hands thoroughly after handling.
Avoid release to the environment.

Emergency measures

IF IN EYES :

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists :

Get medical advice/attention.

Disposal

Dispose of contents/container in accordance with local/national regulations.

3. Composition/Information of Ingredients

It is mixture of sodium salt of fatty acid such as stearic acid ester of lactic acid or its condensate, fatty acid such as stearic acid and its sodium salt, lactic acid and its condensate and its sodium salt.

Ingredient and Content : No data

Formula :

(Sodium salt of stearic acid ester of lactic acid condensate)

MITI No. : 7-2115 (Include 7-2113)

Industry Safety and health Act No.

: 2-(4)-74

CAS No. : 25383-99-7 18200-72-1

EINECS : 246-929-7 (242-090-6)

TSCA : On Inventory

Remarks : Sodium stearate is notifiable substance.

4. First Aid Measures

First Aid Measures under different exposure routes :

Inhalation :

Move the exposed person to fresh air at once. Get medical attention.

Skin Contact :

Wash the skin with soap and water. Get medical attention if irritation persists after washing.

Eye Contact :

Continue to rinse for at least 15 minutes. Make sure to remove any contact lenses from the eyes before rinsing. Get medical attention if any discomfort continues.

Ingestion :

Immediately rinse mouth and drink plenty of water. Get medical attention immediately.

Most important symptoms and effects :

No information available.

Protection of first aider :

No information available.

Notes for the physician :

No information available.

5. Fire Fighting Measures

Suitable extinguishing media :

Dry chemicals. Foam.

Special hazards arising from the product :

No information available.

Special fire-fighting methods :

Fire-fighting in the wind. Remove from fire and move to empty place. Cool containers with water spray. Provide adequate ventilation. Prevent fire extinguishing water from contaminating surface water or the ground water system.

Protection for fire-fighters :

Fire-fighters should wear appropriate breathing apparatus and protective equipment.

6. Accidental Release Measures

Personal precautions :

Wear personal protective equipment (See section 8).

Environmental precautions :

It is biodegradable. And it is thought that fish toxicity is low.

Methods cleaning up :

After cooling and solidifying, recover spoilage. If it is adhered, tear it off and recover. in addition, scrape off attaching part and wipe off with solvent.

7. Handling and Storage

Handling :

Avoid spilling, skin and eye contact. Wear appropriate clothing to prevent any possibility of skin contact. In particular, be careful about burns by the adhesion of molten state of it to skin

Storage :

Store in tightly closed original container. Protect from light, including direct sunrays. Store in normal temperature condition.

8. Exposure Controls/Personal Protection

Engineering control :

Provide local exhaust or process enclosure ventilation system.

Personal protective equipment :

Respiratory protection : In case of inadequate ventilation wear respiratory protection.

Hand protection : Wear protective gloves.

Eye protection : Wear approved safety goggles.

·Skin and body protection : Wear appropriate clothing to prevent any possibility of skin contact.

Hygiene measures :

Handle in accordance with good industrial hygiene and safety practice. Do not eat, drink or smoke when using this product. Wash thoroughly after handling.

9. Physical and Chemical Properties

Appearance : Solid.
Color : Colorless or slightly yellow
Odor : Odorless or slightly characteristic odor
pH : Not available
Melting Point : 35~50°C
Flash Point : 235°C (Cleveland open-cup tester)
Heat of combustion : 31,400 J/g
Specific Gravity : about 1.0 (Molten state)
Solubility : Miscible with alcohol
Slightly soluble in water

10. Stability and Reactivity

Stability : Gradually hydrolyzed by absorbing moisture.
Reactivity : Hydrolyzed in water and fatty acid is formed and isolated.
Hazardous decomposition products : Not available.

11. Toxicological Information

Acute Toxicity : LD₅₀ 25,000mg/kg (Rat)
Local Effect : No data
Skin corrosion : No data

12. Ecological Information

Persistence/degradability : Good.

13. Disposal Consideration

Waste Disposal methods : Incinerate in suitable combustion chamber. Dispose of waste and residues in accordance with local authority requirements.

14. Transport Information

UN Number : Not regulated
UN Proper shipping name : Not regulated
UN Classification : Not regulated

Packing Group : Not regulated

Mark/Label(s) : Not regulated

Additional information :

The materials transportation by vehicles, the sender serves deliverers with instructions for safe handling. In transportation confirm leakless of the container, and load the materials not to upset, fall and damage. Secure preventing the load from falling.

15. Regulatory Information

Applicable regulations :

Pharmaceutical and Medical Device Act

: Quasi-drug

Following regulations are applied for Sodium stearate.

Industrial Safety and Health Act

: Article 57-2 Notifiable substances

Order of Enforcement Article 18

: (Dangerous or harmful substances subject to be indicated their names, etc.)

Article 18-2

: (Dangerous Articles and harmful substances whose names, etc. should be notified)

Attached Table 9

: Hazardous substances to be notified in terms of whose names, etc. (related Article 18-2)
