### The 70<sup>th</sup> anniversary

MUSASHINO CHEMICAL LABORATORY, LTD. celebrates the 70<sup>th</sup> anniversary on November 19, 2019.

We would like to express our deepest gratitude to our customers, suppliers and partners both in Japan and abroad for your continued patronage.

Since 1949, we have worked as “a research and development company” to “contribute to the society by providing excellent and innovative organic chemical products.”

“Our research and development efforts lead to customer products, which furthermore leads to the smiles-of end users.” This is our philosophy and the source of our motivation to engage in difficult research.

We try our best toward the 100<sup>th</sup> anniversary, we hope for your continued support.
